STATE-OF-THE-ART SECURITY

Dometic safes are chosen by hotels worldwide for their sleek design, industry-leading technologies, and easy operation. This in-room hotel safe measures 6.5 x 12.2 x 9.25 in. (165 x 310 x 235 mm) (H x W x D) with 9 l capacity. The electronic safe is equipped with a master code and includes a high-security master key in case of emergency.

The Dometic MD 310 safe boasts a digital keypad with illuminated LED display and interior LED light for easy access. Guests will feel confident using the MD310 with its two 19 mm steel bolt locking system. A four-digit code assists in storing their valuables and personal items. Its 9 l capacity is ideal for storing smaller guest valuables.

- Digital keypad with LED display
- LED interior light for maximum visibility into the safe as a second bullet point
- Solid locking with 19 mm steel bolts
- Reprogrammable configuration, four-digit guest code
- Compact size is ideal for storing smaller guest valuables
