**MORE SPACIOUS**  
17" LAPTOP SIZE

**EASY TO SPOT INSIDE**  
LED INTERIOR LIGHT

**EASY TO OPERATE**  
MASTERKEY AND CODE

## SECURITY THAT PAYS OFF

Dometic safes are chosen by hotels worldwide for their sleek design, industry-leading technologies, and easy operation. This models glossy control panel is easy to use and comes with a master key and master code in case of emergency.

The Dometic proSafe MD 390 comes standard with a digital keypad and LED Display. A four-digit guest code and motorised spring opening makes for easy access while securely holding laptops (up to 17 in.), cameras and other personal items. Guests will be reassured by the "closed" message on the LED display which signals the safe is securely locked by its two solid, 19 mm steel bolts.

- Room to fit up to 17" laptops
- Master key and master code opening
- LED interior light
- Easy to use and intuitive operation
- Motorised with automatic opening
